ORDER

As per order read as 4th paper above, Kerala Coastal Zone Management Authority had delegated the power to all District Level Committees of KCZMA to treat the applications submitted up to 31.08.2023 for CRZ Clearance of already constructed residential buildings that are otherwise permissible as per the prevailing CRZ Notification without obtaining prior clearance as late application and also to condone the delay occurred in such applications based on the merits of the case.

Subsequently requests have been received in KCZMA to extend the date of receipt of application for the regularization of constructed / partially constructed buildings constructed without clearance from Kerala Coastal Zone Management Authority as many applicants could not submit the application on time due to the continuous public holidays in August 2023. This was discussed in the 132nd meeting of KCZMA in detail and the authority delegated the power to all the District Level Committees of KCZMA to treat the applications received up to **31.12.2023**, of constructed / partially constructed residential buildings that are otherwise permissible as per the CRZ Notification 2011 as late applications and also to condone the delay based on the merits of the case. While condoning the delay, the list of CRZ violations reported by the District Coastal Committees shall also be

verified. Scrutiny fee shall be collected as per the GO (Ms) No. 01/2015/S&TD dated 25/03/2015.

The District Level Committee' meetings that consider the late applications shall strictly be presided over by the District Collector concerned and the **POWER SHALL NOT BE DELEGATED** to any other officer for the purpose.

DLC meeting not chaired by the District Collector shall be deemed invalid.

Yours faithfully,

Suneel Pamidi
